

## **Cancel Plan**

To cancel your current plan, please complete the following steps:

- 1. From the <u>Unstructured SaaS API</u> webpage, navigate to FAQ section and click the "Cancel Plan" link.
- 2. When the pop-up form appears, provide your registered Email in the first field.
- 3. Enter your Current API Key in the following field.
- 4. Click the **Submit** button to send your cancellation request.

Upon submission, our team will process your request, and you will receive a confirmation email regarding the cancellation of your plan.
